

USE OF BUSES BY COMMUNITY GROUPS

Upon formal application to and approval by the Superintendent and the Board of Education, buses may be rented to a municipal corporation; to any senior citizen center recognized and funded by the office for the aging; to any not-for-profit organization serving the physically or mentally handicapped; or to any not-for-profit organization which provides recreational youth services or neighborhood recreation centers. Such rentals can be made only for times when vehicles are not needed for student transport and must be made for a consideration acceptable to the Board. The Board may require a certificate of insurance.
