

Policy Revision – Recruitment

The District will employ the best qualified personnel available to it for all positions.

Professional personnel shall be recruited and selected by, or at the direction of, the Superintendent of Schools, who shall recommend appointment to the Board of Education.

A personal interview will be required for all people employed by the District.

The District shall provide equal opportunity in employment for all qualified persons in accordance with Title IX of Educational Amendment of 1972 and Civil Rights Act of 1964.
