

**5. RELATIONS BETWEEN AREA, STATE, REGIONAL AND NATIONAL ASSOCIATIONS  
AND SCHOOLS**

The Board supports the concept of membership for this School District in associations which will enable our schools to benefit from cooperative development and supervision of our educational program.

If conflict between the policies, rules and regulations of this School District and those of any association in which this District maintains membership should arise, the Board reserves the right to decide in the best interest of the School District whether its policies, rules and regulations should be placed in harmony with those of the association, or the membership should be terminated.
