

Education Law §3614 School Funding Allocation Report

Part F - Data Justifications

Part A

A-III. Central District Costs

1. **Threshold Triggered:** The total amount entered for Other Central Services varies by more than 20% and \$1,000,000 from the district's 2021-22 School Funding Transparency Form. Please review and revise the entered data or provide a justification below for this significant variance.

Field	State/Local Funding	+	Federal Funding	=	Total
Other Central Services	210,433		2,010,000		\$2,220,433
2021-2022 SFT Reported Spending	206,821		0		\$206,821
Dollar Change from Prior Submission				=	\$2,013,612
Percentage Change from Prior Submission				=	973.60%

District Justification

The increase in this area is due to the district's large ARP allocation. Our district allocated approximately 2 million in this area through that funding for 2022-2023. Without that increase, there is only a \$3,612 difference between the 2 years, resulting in a 1.7% change.
