PRIVILEGE OF THE FLOOR

Superintendent Wood reports that she was contacted
by Jim Dalpiaz to discuss an interest that the Rotary
has in working with the Whitney-Titus Trust to
purchase a scoreboard for our gymnasium. One of her
concerns is that a new scoreboard would need to be
compatible with the 2010 panel box and scoreboard
we currently have.

Mrs. Snow commented on the distracting and
sometimes rude behavior being displayed by some
fans during the girls basketball games. She also noted
that the recent sixth grade field trip to the coal mine
did not include a trip into the mine, only a visit to the
museum.

Mr. Blakeslee shared that he has heard some rumblings about the use of school buses for field trips to NYC as opposed to charter buses. Ms. Wood explained that instead of sending students out into the community fundraising to pay for a charter bus, we should at least try using school buses as a means of transporting students to NYC. If this proves to be successful, we should be able to provide more opportunities for students to visit NYC in the future.
