

INSURANCE

The objective of the Board of Education is to obtain the best possible insurance at the lowest possible cost.

The Board of Education shall seek advice from an Insurance Appraisal Service concerning the school system's coverage regarding fire, boiler, general liability, bus and student accident insurance.

The Board shall carry liability insurance on the school buildings and grounds and automobile liability insurance.

Fire insurance policies on school buildings shall be kept in a vault or fireproof file outside of the school building along with an inventory of the contents of the building.

The Superintendent and/or his designee shall review, on an annual basis, all of the above mentioned insurance policies and shall make appropriate recommendations to the Board of Education.
