

**Field Trip or Extracurricular Activity Transportation Policy**

When the district has provided transportation to students to a school sponsored field trip, extracurricular activity or other similar event involving the use of school district transportation services, the school district shall return all students to the point of departure unless the parent or legal guardian of the student has provided the district with written notice authorizing an alternative form of return transportation of such student. If intervening circumstances make school district transportation of any one student impractical, then a chaperone shall remain with the student until the parent(s) or legal guardian has been contacted and informed of the intervening circumstances which make such transportation impractical and such student and the parent(s) or legal guardian are together in the same location.
