

What should I be doing for school on Friday?!?

7:45 – 8:00:

- Check in with your first period teacher for attendance. If you need to know if it is an odd day or an even day, check here: <https://www.hcs.stier.org/Downloads/2020-2021%20Calendar%20Day%20Schedule-25.pdf>
- Look for your assignment/activity for each class for the day. If you are not sure what you should be doing; now would be the best time to contact your teacher!

8:00 – 10:55:

- Work on the required assignments for your classes.
- If you are having trouble, you can use e-mail, Remind, or Google Classroom to contact your teacher. You can also get help by going to your teacher's Zoom during their OFFICE HOURS:
 - Math Department Office Hours 8:00 – 8:45
 - Science Department Office Hours 8:45 – 9:30
 - English Department Office Hours 9:30 – 10:15
 - Social Studies Department Office Hours 10:10 – 10:55

10:55 – 11:05:

- Check in with your collaborative teacher. They will take attendance again and want to know how things are going. If you are having trouble and haven't been able to talk to your teacher, let them know!

11:05 – 12:00:

- Continue working on your assignments.
- If you are having trouble with your work for any of your elective classes, they have OFFICE HOURS too:
 - Specials/LOTE Office Hours 11:05 – 11:50

12:00 – 12:30:

- Time for Lunch! All of that work makes us hungry!

12:30 – 1:15:

- Teachers can use this time to make appointments with students that need help. If a teacher asks you to meet with them, make sure that you do!
- If you don't have any scheduled meetings to attend, you can keep working on your assignments.

1:15 – 2:15:

- Another hour to keep working!
- If you have trouble with any of your work, please send a message to your teacher. They will be sure to reply when they get out of their meeting!

2:30 – 2:50:

- Your last chance to ask questions for the day. ALL teachers will be in Zoom if you have questions!
