

Harpursville CSD Home Access Center BASICS

- 1) Be sure to use and up-to-date browser (Internet Explorer, Safari, Chrome, or FireFox.)
- 2) Go to <https://eschoolhomeaccess.stier.org/HomeAccess/> (you can also link to this site via our school website by going to the parents tab)
- 3) Be sure to select a district!

© 1990-2015 SunGard Public Sector Inc. All Rights Reserved. This

- 4) The user name and password are capital sensitive so be sure to include capitals if you used them when setting up your password.
- 5) Once logged on you can browse freely as the system is view only.
The chart below summarizes the functions under each Icon:

Button	Function
 Home	Allows you to see your student's schedule and assignments (MS & HS only) in a calendar view. Allows you to click on the Teacher name and send email.
 Attendance	Allows you to review your child's attendance for any period of the current school year.
 Classes	Allows you to see your MS or HS student's classwork, grades (if published) and their full schedule in traditional format.
 Grades	This is where you will find your student's interim progress reports (for MS and HS), report cards and their state Test Scores.
 Student Support	This is where you can find Discipline information for your child.
 Registration	This is where you will find information from the Emergency card, such as student address and phone, guardian address and phone, and emergency contact names and phone numbers.

- 6) For guardians with multiple children, you can simply select the change Student Button on the upper right hand side of the Screen and select the child you want to view information on.

If you have questions or do not have an account and would like one set up. Please email George Wright at gwright@hcs.stier.org.
