

COMING SOON!

# kids GO shopping

The In-School Holiday Shopping Program  
That's Fun For Everyone!

## Dear Parents,

The holiday season is coming, and as a special service, your school is sponsoring an in-school Holiday Shop! Your child will have the chance to shop for high quality, inexpensive gifts for family and friends in a safe, supervised setting.

Kids Go Shopping will be set up in your child's school and will be run by PTA/PTO volunteers. Over 120 different gifts will be available ranging from \$0.25 to \$12.50. Over 75% of these presents will be \$4.00 and less.

Your child will bring home a special budget envelope before the store opens. This envelope will allow you and your child to come up with a gift plan for family members and friends that fits your household budget.

The Kids Go Shopping Gift Store is a place where your child will be able to find the perfect gift for everyone on his or her list. We look forward to providing an outstanding selection of affordable presents that will allow your child to experience the joy of giving this holiday season.
