Lourdes Mobile Mammography

It's our life saving mission and we're bringing it to you!

DIGITAL SCREENING MAMMOGRAMS

**We currently provide digital screening mammography for women 35 years and older
In the very near future, we'll be providing screening mammography with *3D* technology!**

- Our self-contained van travels to you
- Van is staffed with a board-certified technologist
- No physician order necessary
- Your results will be sent directly to your healthcare provider
- Appointment time is approximately 15 minutes
- New York State Insurances cover 1 screening mammogram per year (please check with your specific plan/policy for 3D mammography coverage)
